HI THERE

I'm Adelle

Thanks so much for being here and considering me to capture your special day! I have been a photographer full time for 5 years but have been in the industry for the past 10+ years! My style leans into the documentary and lifestyle section of portraiture, creating imagery that feels authentic and real. My special talent is being in the right place at the right time, capturing those tiny moments as they unfold. As for myself, I'm very chilled and laid back. I do my absolute best to help my couples feel comfortable in front of the camera - I can be pretty camera shy myself! I love my job and feel pretty lucky in life to do what I do. Feel free to get in touch - I look forward to hearing about the details of your special day!

ENGAGEMENT *shoot*

The Engagement Shoot is not only a great way to get some pre-wedding shots but it's also a great way to get to know each other! Each engagement shoot is 30mins, includes 40 digital images and takes place anywhere within a 20min radius of Scarborough - so plenty of choices! These shoots are limited to weekdays during non peak season as this time is usually full of weddings!

WHAT TO *expect*

The deposit is \$500 and the rest is due one week before the wedding. Once you're all booked in I send a welcome email with some timeline requirements. I'll also send a link to book a zoom meeting around 4-6 months out from the wedding so we can introduce ourselves and go over your big day. Once the day has passed I send some sneak peeks within a few days, the rest are usually finished in around 8-10 weeks and I'll send an online gallery where you can download your images and select your prints.
